

Charlotte e-Hub

GET TO KNOW YOUR FELLOW CLASSMATES CONVERSE WITH OTHER LIBRARIANS

UNCG has a diverse populace and one of the most thriving distance education programs in the LIS field. As part of a program called e-Hubs that promotes connectivity between those on- and off-campus, UNCG will be sponsoring a series of e-Hub events so that students can have live interactions with their professors and classmates. These events are designed to give our on-line students networking opportunities amongst professionals and peers.

THE UNIVERSITY of NORTH CAROLINA
GREENSBORO
Department of Library
and Information Studies

The first e-Hub event will be held on **April 1st** in Charlotte, NC at the [Johnson and Wales Library](#), right after SNCA ([Society for North Carolina Archivists](#)) and during the [Metrolina Library Association's Tech Summit](#). It will be an informal meet-and-greet opportunity for UNCG current students, professors, and alumni. We will have a table of giveaways and food right next to the Tech Summit until 4:00 pm.

This is also a great opportunity to learn at a regional conference, experience the Mint Museum, and explore technical innovations in the field. Registration for the Tech Summit is completely free, and SNCA offers a deep student discount!

LISSA will be organizing an expedition of Greensboro-local students, alumni, and professors to head to Charlotte for the e-Hub. [Click here](#) to join the Greensboro travel brigade!
